OBJECTIVE

Motivated Computer Applications student with hands-on experience in full-stack development and problem-solving. Skilled in React.js, JavaScript, and backend technologies, with ongoing learning in Java and Data Structures. Seeking software development opportunities to apply technical expertise and contribute to impactful projects.

EDUCATION

Bachelor of Computer Applications (BCA), JSPM University, Pune 2023 – 2026

Relevant Coursework: Data Structures, Web Development, Database Management Systems, Cloud Computing

SKILLS

| | |
|------------------------|--|
| Programming | Java (Learning DSA), JavaScript |
| Web Development | React.js, Node.js, Express.js, HTML, CSS, MongoDB, MySQL |
| Tools | Git, GitHub, Firebase, VS Code |
| Soft Skills | Teamwork, Communication, Problem-Solving, Adaptability |

PROJECTS

Scrapbook (React.js). Built a digital scrapbook web app using React.js where users can add, view, and manage notes or memories in an interactive format.

SIP Calculator (JavaScript). Developed a financial calculator to compute Systematic Investment Plan (SIP) maturity amounts with a user-friendly interface.

Chatbot Website (React.js, Node.js, MongoDB). Created a chatbot with features such as weather updates, news, and currency conversion. Supports both text and voice input/output.

Quiz Website with AI Voice Feedback. Designed an interactive quiz platform with AI voice feedback announcing correct or incorrect answers, enhancing user engagement.

EXPERIENCE

Web Development Intern (Virtual) Jan 2025 – Mar 2025

Remote Internship

- Worked on full-stack web development using React.js, Node.js, and MongoDB.
- Designed responsive web pages to improve cross-device usability.
- Collaborated with peers to build and deploy a complete web application within 10 weeks.

Android Development Intern (Virtual) Apr 2024 – Jun 2024

Remote Internship

- Developed Android applications using Java and Android Studio.
- Implemented features such as user authentication, data storage, and UI design.
- Enhanced app performance through debugging and testing.

EXTRA-CURRICULAR ACTIVITIES

- Competed in a college-level Hackathon and successfully advanced to the second round through effective teamwork.
- Completed a certified MERN stack web development course from Apna College.
- Regularly play badminton to strengthen focus, discipline, and teamwork abilities.
